Keywords: Please introduce up to three keywords

Please insert here the text of the abstract. Please send the PDF file of your Special Session to icdea2022@sciencesconf.org with subject as "ICDEA2022-SpecialSession-Proposition".

You will be notified of the acceptance or rejection of your proposition. In case of acceptance, after at least one of the organisers has registered, the Title of the Special Session will appear in the "Topic" section while submitting an abstract for contributions. The authors willing to contribute to the Special Session need to select that Topic. Explanations are available in the website for the abstract submission procedure.
